**Site Plan Application
Rockleigh Planning Board
Overview, Procedures, and Application Requirements**

Overview

The Rockleigh Planning Board, consisting of nine volunteer members appointed by the Mayor, holds public hearings and makes decisions governing land use in the Borough of Rockleigh in accordance with Municipal Land Use Law of the State of New Jersey (NJSA 40:55D-1 et seq.), and the Municipal Land Use Ordinances of the Borough of Rockleigh. Applicants should also be aware that the Borough of Rockleigh, pursuant to the Municipal Land Use Law, does not have a separate Zoning Board of Adjustment. The functions of a Zoning Board of Adjustment and a Planning Board are all performed by the Rockleigh Planning Board. Copies of the Municipal Land Use Ordinances of the Borough of Rockleigh, the Rockleigh Master Plan (and 2009 Master Plan Re-Examination), and the Rockleigh Official Map are all available from the Rockleigh Municipal Clerk's Office at the Rockleigh Municipal Building (26 Rockleigh Road, Rockleigh, NJ) or on the Borough's website: rockleighnj.org.

All construction or other land development in the Borough of Rockleigh, except for the construction or alteration of a single detached one-family house, require preliminary and final site plan approval. If the applicant so chooses, he or she may apply for preliminary and final approval concurrently. However, the applicant should be aware that application for Preliminary and Final Approval concurrently would not automatically entitle the applicant to both Approvals simultaneously. Depending upon the nature and extent of the development, as well as the extent of Preliminary Approval, the applicant may be required to subsequently return to the Planning Board for Final Site Plan Approval.

Applications, correspondence, plans, and all other communications to the Rockleigh Planning Board shall be submitted to the Rockleigh Borough Administrator as follows:

William J. McGuire
Borough Administrator
Borough of Rockleigh
26 Rockleigh Road
Rockleigh, New Jersey 07647
Telephone No.: (201) 768-4217
Fax No.: (201) 768-3355

NOTICE TO APPLICANT: The instructions and suggestions contained herein are an attempt by the Planning Board of the Borough of Rockleigh to assist the applicant and, under no circumstances, are they intended to be a complete list of requirements pursuant to the Municipal Land Use Law of the State of New Jersey, other State Statutes and applicable Municipal Ordinances of the Borough of Rockleigh or are they intended to provide legal advice to a property owner or applicant. The sole responsibility of proper and complete presentation of an application and compliance with the procedural requirements of the Planning Board and State of New Jersey Statutes is upon the applicant.

Planning Board Procedures

Application Process:

An initial application must be submitted a minimum of twenty-one business days (legal holidays excluded) prior to the next regular monthly meeting at which the applicant is seeking to be heard in Work Session. The day of the meeting is not counted as one of the twenty-one required business day. Subsequent submissions after the initial submission must be submitted to the Planning Board no less than ten business days prior to the next regular monthly meeting at which the applicant is seeking to be heard in Work Session. The day of the meeting is not counted as one of the ten required business days. The application will first be reviewed for completeness. Upon a determination that the application is complete, the applicant will be required to serve any necessary notices on surrounding property owners and provide public advertisement of the hearing date. A Public Hearing will be held by the Planning Board at the earliest agenda date available. A decision by the Planning Board on an application will be made at a Public Hearing. Public Hearings are generally held on the fourth Monday of each month. (Subject to change due to holidays or other reasons.)

Upon Approval by the Planning Board of a Site Plan application, the Planning Board will need to memorialize its action in approving the Site Plan application by the adoption of a written Resolution that typically will be reviewed and adopted by the Planning Board at the next regularly scheduled monthly Planning Board meeting. Thereafter, depending upon the nature and the extent of the development, a Developer's Agreement may also be required to be entered into by the applicant and the Borough. Adoption of a Resolution by the Planning Board and, if necessary, entry into a Developer's Agreement are required prior to the issuance of any Building Permits.

The Planning Board Attorney is Kenneth C. Dolecki, Esq., 477 Main Street, P.O. Box 6, Hackensack, New Jersey 07602; Telephone No.: (201) 342-0774, Fax No.: (201) 342-3740, Email: kcdolecki@netzero.net. The Planning Board Engineer is Gregory Polyniak of Neglia Engineering Associates, 34 Park Avenue, P.O. Box 426, Lyndhurst, New Jersey 07071; Telephone No.: 1(888) 842-1062, Fax No.: (201) 939-0846, Email: gpolyniak@negliaengineering.com.

Completeness:

Upon receipt of an application, the application will be reviewed for completeness. The application and plans will be submitted to the Planning Board Attorney and Planning Board Engineer for their respective reviews. Typically, the Planning Board Attorney and the Planning Board Engineer will issue written comment reports to the Planning Board and a copy will be supplied to the applicant or, if represented, to the applicant's attorney and the applicant's other professionals, such as architect, engineer or planner.

A determination of completeness, however, is made by the Planning Board during a Work Session of the Planning Board. Typically, each monthly meeting of the Planning Board is divided into two agendas. First a Work Session is held and then the meeting is moved into a Public Hearing Session. A determination of completeness by the Planning Board is typically effected during the Work Session agenda. If an application is determined to be substantially complete, it will be placed on the Work Session agenda of the next Planning Board meeting. If the application appears to be substantially incomplete, the Planning Board may make a determination not to place the application on the next Planning Board Work Session agenda.

If an application is determined by the Planning Board to be incomplete, at the time of that determination, the Planning Board will inform the applicant of the deficiencies in the application with regard to drawings, plans or other information needed to complete the application.

An applicant should note that, pursuant to Municipal Ordinance, the Planning Board shall not consider an application unless it has been determined that no taxes or assessments for local improvements are due or delinquent on the property for which the application is being filed. The applicant is required to obtain a Certificate from the Tax Collector of the Borough of Rockleigh certifying that all current taxes are paid to date. Such a Certificate shall be submitted as a part of this application.

Work Session:

All applications will be submitted to the Planning Board for review at a Work Session. Work Sessions are generally held as the first portion of each monthly meeting held on the fourth Monday of each month. An application will be placed on the first Work Session agenda available. The applicant or the applicant's attorney, if represented, will be contacted by Planning Board staff to advise as to the date that the applicant's application will be placed on the work session agenda.

Fees:

Should the application be deemed to be complete by the Planning Board at the Work Session, a Public Hearing will be scheduled by the Planning Board at the earliest agenda date available.

An initial submission must be received by the Planning Board no less than 21 business days in advance of the Work Session at which the applicant seeks to be heard. The day of the meeting is not counted as one of the twenty-one required business days. Subsequent submissions must be received by the Planning Board no less than ten business days prior the meeting. The day of the meeting is not counted as one of the ten required business days. Any subsequent submissions submitted after that date will not be considered at the Hearing. This is applicable to both the Work Session Hearing, as well as the Public Session Hearing.

No application will be heard by the Planning Board either at Public Hearing or for a Work Session Hearing if the required application fees and deposits for professional fees as hereinafter set forth have not been paid.

In the event the Escrow Account established at the time of filing of the application is exhausted, the applicant, or if represented, the applicant's attorney, will be contacted by the Planning Board staff to replenish the Escrow Account, pursuant to the provisions of the Municipal Land Use Law. In the event the Escrow Account is not replenished within 10 calendar days from the date of notification by the Planning Board, no further work or Hearing will occur on the applicant's application until payment of all outstanding fees and replenishment of the Escrow Account have been satisfied by the applicant. However, and notwithstanding the preceding, in the event an applicant is scheduled to be heard, either on the work session agenda or the public session agenda, of an upcoming Planning Board meeting, replenishment of the Escrow Account must occur no later than 10 business days prior to the meeting at which the application is scheduled to be heard. This provision shall supercede the 10 calendar day requirement as set forth above. In the event the applicant has not satisfied the requirement of replenishment of Escrow 10 business days prior to the hearing, the applicant's matter will not be listed for hearing, whether it was scheduled for the work session agenda or the public session agenda.

Routinely, the procedure regarding Escrow Accounts for professional services are handled in the following manner. An informational copy of the Voucher will be submitted to either the applicant directly, or if represented by counsel, to the applicant's attorney at the time the professional submits the Voucher to the Planning Board for approval of payment. If the outstanding balance in the applicant's Escrow Account is equal to the amount of the Voucher(s) to be paid or is insufficient to pay the Voucher(s) in full, notice will be forwarded to the applicant, or the applicant's attorney, providing a status of the applicant's Escrow Account, which notice will provide the existing balance in the applicant's Escrow Account, as well as the amount or amounts of any Voucher(s) approved by the Planning Board for payment.

If the amount remaining in the applicant's Escrow Account is equal to the amount of the Voucher(s) or is insufficient to pay the Voucher(s) in full, the applicant will be requested to provide additional monies to satisfy the following:

- A. A sum of money which, when added to the amount in the Escrow Account, will be sufficient to satisfy all outstanding approved Voucher(s); and
- B. An additional amount to replenish the Escrow Account for anticipated future professional services, pursuant to the provisions of the Municipal Land Use Law;

Public Hearings:

Work Sessions and Final Hearing are both Public Hearings. Final Public Hearings must be noticed in accordance with the Municipal Land Use Law and Municipal Ordinances of the Borough of Rockleigh. At the Final Public Hearing, the public will be heard by the Planning Board in accordance with Planning Board's Rules for Public Hearings. Any member of the public can be represented by an attorney. The Planning Board may determine to continue the Hearing to another date or conclude the Hearing on the scheduled date. Public Hearings are generally the second portion of each monthly meeting, normally held on the fourth Monday of each month.

Applicants requiring Notice to Property Owners and Public Advertising must do so in accordance with the Municipal Land Use Law. The deadline for submitting any advertising copy to *The Bergen Record* for publication in a timely issue is determined by the newspaper. Advertisement and Notices to Property Owners, when required, must be published and served no less than 10 calendar days prior to the Public Hearing.

A Certified List of Property Owners requiring Notice may be obtained from the Borough of Rockleigh for a fee of \$10.00, with a check made payable to the Borough of Rockleigh. Requests for the list of such property owners requiring notification, together with the \$10.00 fee, should be forwarded to Marcella Giampiccolo, Borough Clerk, Rockleigh Municipal Building, 26 Rockleigh Road, Rockleigh, New Jersey 07647. Proof of Publication and Service must be filed with the Planning Board no later than 5 days prior to the Public Hearing.

Final Public Hearings are typically held at the regular monthly meeting, the fourth Monday of each month at 8:00 PM, or as otherwise shown on the Planning Board calendar. All applicants are entitled to be represented by counsel.

At the Final Public Hearing on an applicant's application, the Planning Board may take one of the following actions on the applicant's Site Plan Application:

- A. The Planning Board may grant Preliminary and Final Site Plan Approval concurrently, with or without conditions, if the applicant has so requested in the Application Form and the Planning Board has determined that the nature and extent of the development is appropriate for the issuance of Preliminary and Final Approval concurrently;
- B. The Planning Board may grant Preliminary Approval and state the conditions the applicant must meet for Final Approval;
- C. The Planning Board may deny Approval;
- D. The Planning Board may defer decision to a future Planning Board meeting;

A brief Notice of every final decision shall be published in the official newspaper of the municipality, arranged by the Borough Administrator with a reasonable charge to the applicant. If the applicant desires, the Notice may be published by the applicant at his expense. This publication is in addition to the applicant's obligation to publish the Notice of Public Hearing no less than 10 days prior to the Public Hearing date.

NOTICE TO APPLICANTS: In the event the Applicant produces an Exhibit mounted on a board for presentation and/or entry into evidence at the Public Hearing, the Applicant shall simultaneously produce a duplicate original of that Exhibit that can be marked into evidence and folded so that it can be placed into the Applicant's file for storage in the municipality's filing cabinets. No board-mounted Exhibit will be marked into evidence.
