PROPERTY MAINTANANCE:

As a reminder, please remember it is the responsibility of the property owner to maintain a 10 foot right-of-way, which includes overhead branches and brush (Rockleigh Ordinance No. 69-7.) Please ensure your property is maintained pursuant to this Ordinance. Overgrown brush is a safety hazard for motorists as well as pedestrians using our roadways. Those homes on corner lots must remove sufficient shrubs and/or weeds from the corner to create a clean line of site for cars making turns. Particular attention should be made to remove, rather than cutting down, all invasive weeds to prevent seeding and regrowth. Note that the Borough no longer permits bamboo to be grown along any Borough roads.

LEAVES:

As a reminder, the Borough of Rockleigh does not provide leaf pick-up. If you employ a landscaper, kindly remind them that it is their responsibility to remove all leaves and branches.
