**RE: Mount Laurel Midpoint Review and Monitoring
Borough of Rockleigh, Bergen County, New Jersey
Neglia Project # RKLGADM20.001**

Dear Ms. Smith-Denker:

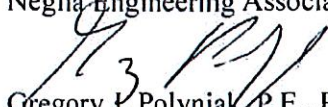

As per your E-mail, dated May 21, 2020 to Robert T. Regan, Esq. concerning the Mount Laurel Midpoint Review and Monitoring for the Borough of Rockleigh, Bergen County, New Jersey, we respectfully request that the Fair Share Housing Center accept this letter to illustrate compliance with respect to the Midpoint Review and Monitoring.

Since the Final Judgement of Compliance and Response, entered by the Honorable Menelaos W. Toskos, dated December 20, 2016 and as of the date of this letter (June 29, 2020), the Borough of Rockleigh does not have and has not had any action with respect to its Trust Fund. In addition, the Borough of Rockleigh has not received any interest from property owners to develop an accessory apartment with respect to its Accessory Apartment Program to satisfy its affordable housing obligations as of the date of this letter.

However the Borough believes that the Accessory Apartment Program continues to present a realistic opportunity for the development of affordable units. Any interested party may submit comments to the Borough with a copy to the Fair Share Housing Center.

If you should have any questions or comments, please do not hesitate to contact our office should you have any questions or comments.

Very truly yours,
Neglia Engineering Associates
