INDEPENDENT AUDITOR'S REPORT

Honorable Chairman and Members of the
Board of Commissioners
Rockleigh Sewerage Authority
Rockleigh, New Jersey

Report on the Financial Statements

We have audited the accompanying financial statements of the Rockleigh Sewerage Authority, a component unit of the Borough of Rockleigh, as of and for the years ended December 31, 2019 and 2018, and the related notes to the financial statements, which collectively comprise the Rockleigh Sewerage Authority's financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Rockleigh Sewerage Authority as of December 31, 2019 and 2018, and the respective changes in financial position and cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis identified in the table of contents be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statements that collectively comprise the Rockleigh Sewerage Authority's basic financial statements as a whole. The supplementary schedules listed in the table of contents are presented for purposes of additional analysis and are not a required part of the basic financial statements.

The supplementary schedules listed in the table of contents are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the supplementary schedules listed in the table of contents are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, we have also issued our report dated March 20, 2020 on our consideration of the Rockleigh Sewerage Authority's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Rockleigh Sewerage Authority's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the Rockleigh Sewerage Authority's internal control over financial reporting and compliance.

MANAGEMENT'S DISCUSSION AND ANALYSIS

ROCKLEIGH SEWERAGE AUTHORITY
MANAGEMENT'S DISCUSSION AND ANALYSIS
YEAR ENDED DECEMBER 31, 2019

This section of the Rockleigh Sewerage Authority's (the "Authority") annual financial report presents our discussion and analysis of the Authority's financial performance during the fiscal year ended on December 31, 2019. Please read it in conjunction with the Authority's financial statements and accompanying notes.

FINANCIAL HIGHLIGHTS

- The Authority's total net position increased \$5,142 (2%).
- Cash and Cash Equivalents increased \$31,492 (11%).
- Operating Revenues remained the same from the prior year.
- Operating Expenses increased \$18,403 (4%)

OVERVIEW OF FINANCIAL STATEMENTS

This annual financial report consists of two parts: Management's Discussion and Analysis (this section) and the basic financial statements. The Authority follows enterprise fund reporting; accordingly, the financial statements are presented using the economic resources measurement focus and the accrual basis of accounting.

Enterprise Fund statements offer short- and long-term financial information about the activities and operations of the Authority. These statements are presented in the manner prescribed by the Government Accounting Standards Board ("GASB").

FINANCIAL ANALYSIS OF THE AUTHORITY

Net Position – The following table summarizes Net Position at December 31, 2019, 2018 and 2017:

	<u>2019</u>	<u>2018</u>	<u>2017</u>
Net Position:			
Net Investment in Capital Assets	\$ 30,493	\$ 37,957	\$ 45,421
Restricted	661	660	688
Unrestricted	<u>303,422</u>	<u>290,817</u>	<u>259,808</u>
Total Net Position	<u>\$ 334,576</u>	<u>\$ 329,434</u>	<u>\$ 305,917</u>

The Authority's Net Position increased \$5,142 or (2%) in the fiscal year ended December 31, 2019.

Net Investment in Capital Assets decreased by \$7,464 during 2019 due to current year depreciation. Unrestricted net position increased by \$12,605 in 2019 as a result of current year operations.

ROCKLEIGH SEWERAGE AUTHORITY

MANAGEMENT'S DISCUSSION AND ANALYSIS YEAR ENDED DECEMBER 31, 2019 (Continued)

FINANCIAL ANALYSIS OF THE AUTHORITY (Continued)

Capital Assets as of December 31, 2019, 2018 and 2017 were as follows:

	<u>2019</u>	<u>2018</u>	<u>2017</u>
Capital Assets:			
Infrastructure	\$ 190,195	\$ 190,195	\$ 190,195
Machinery and Equipment	<u>108,738</u>	<u>108,738</u>	<u>108,738</u>
	298,933	298,933	298,933
Less:			
Accumulated Depreciation	<u>268,440</u>	<u>260,976</u>	<u>253,512</u>
Total Capital Assets (Net of Accumulated Depreciation)	<u>\$ 30,493</u>	<u>\$ 37,957</u>	<u>\$ 45,421</u>

OPERATING ACTIVITIES

The following table summarizes revenues, expenses and changes in net position for fiscal years 2019, 2018 and 2017:

	<u>2019</u>	<u>2018</u>	<u>2017</u>
OPERATING REVENUES:			
User Charges and Fees	<u>\$ 434,805</u>	<u>\$ 434,805</u>	<u>\$ 431,805</u>
Total Operating Revenues	<u>434,805</u>	<u>434,805</u>	<u>431,805</u>
OPERATING EXPENSES			
Administration-Other Expenses	105,373	93,855	92,222
Cost of Providing Services - Other Expenses	320,028	313,143	323,552
Depreciation	<u>7,464</u>	<u>7,464</u>	<u>7,463</u>
Total Operating Expenses	<u>432,865</u>	<u>414,462</u>	<u>423,237</u>

NOTES TO THE FINANCIAL STATEMENTS

**ROCKLEIGH SEWERAGE AUTHORITY
NOTES TO THE FINANCIAL STATEMENTS
YEARS ENDED DECEMBER 31, 2019 AND 2018**

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Reporting Entity

The Rockleigh Sewerage Authority was established by an Ordinance enacted by the governing body of the Borough of Rockleigh to improve and provide sewer facilities to certain non-residential and residential properties in the Borough of Rockleigh, Bergen County, New Jersey.

The Authority is governed by a Board of Commissioners (the "Board") consisting of five members each of whom is appointed by the Borough's governing body.

The Authority maintains sewer lines in the Borough of Rockleigh. Revenues are derived from the collection of sewer user fees.

The Authority and the Borough of Rockleigh have entered into a thirty (30) year agreement that commenced on January 1, 2008 with the Town of Orangetown and the Orangetown Sewer District (jointly known as the "Town"), whereby the Town will provide sanitary sewer service including treatment of sewerage originating in the Borough of Rockleigh. This agreement replaced the previous agreement dated November 11, 1968 which had an expiration date of November 11, 2008.

GASB has issued Statement No. 39, which requires the financial reporting entity to include both the primary government and component units. Component units are legally separate organizations for which the Authority is financially accountable. The Authority is financially accountable for an organization if the Authority appoints a voting majority of the organization's board, and (1) the Authority is able to significantly influence the programs or services performed or provided by the organization; or (2) the Authority is legally entitled to or can otherwise access the organization's resources; the Authority is legally obligated or has otherwise assumed the responsibility to finance the deficits of or provide financial support to, the organization; or the Authority is obligated for the debt of the organization. Component units may also include organizations that are fiscally dependent on the Authority in that the Authority approves the budget, the issuance of debt or the levying of taxes. Based on the foregoing criteria, the Authority has no component units. The Authority would be includable as a component unit of the Borough of Rockleigh on the basis of such criteria.

The Authority has broad financial responsibilities, including the approval of the annual budget and the establishment of a system of accounting and budgetary controls.

B. New Accounting Standards

During the year 2019, the Authority adopted the following GASB statement as required:

- GASB No. 84, *Fiduciary Activities*, will be effective beginning with the year ending December 31, 2019. The objective of this Statement is to improve guidance regarding the identification of fiduciary activities for accounting and financial reporting purposes and how those activities should be reported. This Statement established criteria for identifying fiduciary activities of all state and local governments.

Accounting standards that the Authority is currently reviewing for applicability and potential impact on the financial statements include:

- GASB No. 87, *Leases*, will be effective beginning with the year ending December 31, 2020. The objective of this Statement is to better meet the information needs of financial statement users by improving accounting and financial reporting for leases by governments. This Statement increases the usefulness of governments' financial statements by requiring recognition of certain lease assets and liabilities for leases that previously were classified as operating leases and recognized as inflows of resources or outflows of resources based on the payment provisions of the contract.

ROCKLEIGH SEWERAGE AUTHORITY
NOTES TO THE FINANCIAL STATEMENTS
YEARS ENDED DECEMBER 31, 2019 AND 2018

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

C. Measurement Focus, Basis of Accounting and Financial Statement Presentation

The accounts of the Authority are organized and operated on the basis of funds. The Authority maintains an Enterprise Fund to account for its operations. A fund is an independent fiscal and accounting entity with a self-balancing set of accounts. Fund accounting segregates funds according to their intended purpose and is used to aid management in demonstrating compliance with finance-related legal and contractual provisions. A description of the Authority's fund type, that it maintains to account for its financial transactions, is as follows:

Proprietary Fund Types – This fund type accounts for operations that are organized to be self-supporting and includes Enterprise Funds.

An enterprise fund is used to account for those operations that are financed and operated in a manner similar to a private business or where the entity has decided that the periodic determination of revenues earned, costs incurred and/or net income is appropriate for management accountability purposes.

All proprietary fund types are accounted for on a flow of economic resources measurement focus and use the accrual basis of accounting. With this measurement focus, all assets and all liabilities associated with the operation of these funds are included on the statement of net position. Proprietary fund-type operating statements present increases (i.e., revenues) and decreases (i.e., expenses) in total net position. The Authority follows GAAP prescribed by the Governmental Accounting Standards Board (GASB) applicable to proprietary funds.

D. Assets, Liabilities and Net Position

1. *Cash, Cash Equivalents and Investments*

Cash and cash equivalents are considered to be cash on hand, demand deposits and short-term investments with original maturities of three months or less from the date of acquisition.

Investments are reported at fair value and are limited by N.J.S.A. 40A:5-15.1.

2. *Inventory*

The costs of inventories are deemed immaterial and are recognized as expenses when purchased rather than when consumed. The Authority does not record inventory on its statement of net position.

3. *Accounts Receivable*

All receivables are reported at their gross value and where appropriate, are reduced by the estimated portion that is expected to be uncollectible.

ROCKLEIGH SEWERAGE AUTHORITY
NOTES TO THE FINANCIAL STATEMENTS
YEARS ENDED DECEMBER 31, 2019 AND 2018

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

D. Assets, Liabilities and Net Position (Continued)

4. *Restricted Assets*

Certain assets are classified as restricted since their use is limited to the payment of State of New Jersey unemployment claims.

5. *Capital Assets*

Improvements and equipment acquired or constructed by the Authority are stated at cost which includes direct construction costs and other expenditures related to construction. Depreciation is determined on a straight-line basis for all machinery and equipment. Depreciation is calculated using the straight-line method over the following estimated useful lives:

Infrastructure	50 Years
Machinery and Equipment	10 Years

6. *Net Position*

In the statement of net position, there are three classes of net position:

- **Net Investment in Capital Assets** – consists of capital assets less accumulated depreciation.
- **Restricted Net Position** – reports net position when constraints placed on the residual amount of noncapital assets are either externally imposed by creditors (such as through debt covenants), grantors, contributors, or laws or regulations of other governments, or imposed by law through constitutional provisions or enabling legislation.
- **Unrestricted Net Position** – any portion of net position not already classified as either net investment in capital assets or net position – restricted is classified as net position – unrestricted.

7. *Net Position Flow Assumption*

Sometimes the Authority will fund outlays for a particular purpose from both restricted (e.g., restricted bond or grant proceeds) and unrestricted resources. In order to calculate the amounts to report as restricted – net position and unrestricted – net position in the financial statements, a flow assumption must be made about the order in which the resources are considered to be applied. It is the Authority's policy to consider restricted – net position to have been depleted before unrestricted – net position is applied.

E. Revenues and Expenses

Proprietary funds distinguish *operating* revenues and expenses from *nonoperating* items. Operating revenues and expenses generally result from providing services and producing and delivering goods in connection with a proprietary fund's principal ongoing operations. The principal operating revenues of the Authority are charges to customers for sewer services. Operating expenses include the cost of operations and services, administrative expenses and depreciation on capital assets. All revenues and expenses not meeting this definition are reported as nonoperating revenues and expenses.

**ROCKLEIGH SEWERAGE AUTHORITY
NOTES TO THE FINANCIAL STATEMENTS
YEARS ENDED DECEMBER 31, 2019 AND 2018**

NOTE 2 STEWARDSHIP, COMPLIANCE AND ACCOUNTABILITY

1. Budgetary Accounting

The Authority annually prepares an operating budget. The budget is prepared in accordance with the Budget Manual for Local Public Authorities as promulgated by the Division of Local Government Services, which differs in certain respects from accounting principles generally accepted in the United States of America. The budgets serve as a plan for expenses and the proposed means for financing them. Unexpended appropriations lapse at year end.

The annual budget is approved at least sixty days prior to the beginning of the fiscal year. The budgets must be approved by the Board and submitted to the Division of Local Government Services, Bureau of Authority regulation for approval prior to adoption. Budget adoptions and amendments are recorded in the Authority's minutes.

Five Year Capital budgets are also prepared. Included within the budget are individual projects along with their estimated cost, completion date and source of funding.

The encumbrance method of accounting is utilized by the Authority for budgetary purposes. Under this method purchase orders, contracts and other commitments for expenditures of resources are recorded to reserve a portion of the applicable budget appropriation.

In accordance with accounting principles generally accepted in the United States of America, outstanding encumbrances at year-end for which goods or services are received, are classified to expenses and accounts payable. All other encumbrances are reversed at year-end and cancelled.

2. Revenues

Sewer user fees for commercial/industrial customers are levied based upon the actual water purchases in the prior year. User fees for residential customers are based on a flat annual usage charge. Revenue is recognized in the year that the user is billed.

3. Designated Unrestricted Net Position

The Authority is permitted under budgetary accounting practices promulgated by the Division of Local Government Services to designate unrestricted net position. The Authority Board of Commissioners may formally dedicate net position to establish designations of unrestricted net position to meet policy adopted by the Board.

NOTE 3 CASH DEPOSITS AND INVESTMENTS

Cash Deposits

The Authority considers petty cash, change funds, cash in banks and certificates of deposit as cash and cash equivalents.

The Authority's deposits are insured through either the Federal Deposit Insurance Corporation (FDIC), National Credit Union Share Insurance Fund (NCUSFI), Securities Investor Protection Corporation (SIPC) or New Jersey's Governmental Unit Deposit Protection Act (GUDPA). The Authority is required to deposit their funds in a depository which is protecting such funds pursuant to GUDPA. The New Jersey Governmental Unit Deposit Protection Act requires all banks doing business in the State of New Jersey to pledge collateral equal to at least 5% of the average amount of its public deposits and 100% of the average amount of its public funds in excess of the lesser of 75% of its capital funds or \$200 million for all deposits not covered by the FDIC or NCUSIF.

ROCKLEIGH SEWERAGE AUTHORITY
NOTES TO THE FINANCIAL STATEMENTS
YEARS ENDED DECEMBER 31, 2019 AND 2018

NOTE 3 CASH DEPOSITS AND INVESTMENTS (Continued)

Bank balances are insured up to \$250,000 in the aggregate by the FDIC for each bank. NCUSIF insures credit union accounts up to \$250,000 in the aggregate for each financial institution. SIPC replaces cash claims up to a maximum of \$250,000 for each failed brokerage firm. At December 31, 2019 and 2018, the book value of the Authority's deposits were \$325,661 and \$294,169 and bank balances of the Authority's cash and deposits amounted to \$345,960 and \$245,019, respectively. The Authority's deposits which are displayed on the balance sheets as "cash and cash equivalents" are categorized as:

<u>Depository Account</u>	<u>Bank Balance</u>	
	<u>2019</u>	<u>2018</u>
Insured	<u>\$345,960</u>	<u>\$245,019</u>

Custodial Credit Risk – Deposits – Custodial credit risk is the risk that in the event of a bank failure, the government's deposits may not be returned to it. The Authority does not have a policy for custodial credit risk. As of December 31, 2019 and 2018, none of the Authority's bank balances were exposed to custodial credit risk.

Investments

The Authority is permitted to invest public funds in accordance with the types of securities authorized by N.J.S.A. 40A:5-15.1. Investments include bonds or other obligations of the United States or obligations guaranteed by the United States of America, Government Money Market Mutual Funds, bonds or other obligations of the Authority or bonds or other obligations of the school districts which are a part of the Authority or school districts located within the Authority, Local Government investment pools, and agreements or the repurchase of fully collateralized securities, if transacted in accordance with NJSA 40A:5-15.1 (8a-8e).

The Authority had no outstanding investments as of December 31, 2019 and 2018.

ROCKLEIGH SEWERAGE AUTHORITY
NOTES TO THE FINANCIAL STATEMENTS
YEARS ENDED DECEMBER 31, 2019 AND 2018

NOTE 4 CAPITAL ASSETS

Capital Asset activity for the years ended December 31, 2019 and 2018 was as follows:

	Balance January 1, <u>2019</u>	<u>Increases</u>	<u>Decreases</u>	Balance, December 31, <u>2019</u>
<u>2019</u>

**ROCKLEIGH SEWERAGE AUTHORITY
NOTES TO THE FINANCIAL STATEMENTS
YEARS ENDED DECEMBER 31, 2019 AND 2018**

NOTE 5 RELATED PARTY TRANSACTIONS

The Authority has entered into a shared services agreement dated March 14, 2006 with the Borough of Rockleigh which provides that the Borough shall make available to the Authority the services of certain Borough employees to perform the required services and functions of the Authority. Under the agreement, the Authority will reimburse the Borough for the cost of salaries and fringe benefits of said employees performing services for the Authority. The original agreement was for a five year period that expired on or about March 14, 2011. On February 2, 2011, the Authority authorized entering into a new five year agreement through March 14, 2017. On December 7, 2015, the Authority authorized extending the agreement for an additional five years from March 15, 2016 through March 14, 2021.

On October 3, 2012 the Authority and the Borough of Rockleigh entered into a shared services agreement that took effect on January 1, 2013 and shall expire on December 31, 2017. Pursuant to the agreement, the Authority will compensate the Borough for the use of the Rockleigh Borough Hall as their offices. The annual rent of \$39,228 is based upon the Authority utilizing 24.04 percent of building area of the Borough Hall. Actual utilities and administrative expenses incurred by the Borough will also be charged to the Authority at the same percentage as the rent. On October 2, 2017 the shared services agreement was amended to extend the term of the agreement from January 1, 2018 to December 31, 2022. All other terms remained the same.

**REPORT ON INTERNAL CONTROL OVER FINANCIAL
REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN
ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

INDEPENDENT AUDITOR'S REPORT

Honorable Chairman and Members of the
Board of Commissioners
Rockleigh Sewerage Authority
Rockleigh, New Jersey

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States, the financial statements of the Rockleigh Sewerage Authority, as of and for the year ended December 31, 2019, and the related notes to the financial statements, as listed in the table of contents which collectively comprise the Rockleigh Sewerage Authority's basic financial statements, and have issued our report thereon dated March 20, 2020.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Rockleigh Sewerage Authority's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements but not for the purpose of expressing an opinion on the effectiveness of the Rockleigh Sewerage Authority's internal control. Accordingly, we do not express an opinion on the effectiveness of the Rockleigh Sewerage Authority's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Rockleigh Sewerage Authority's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under Government Auditing Standards.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Rockleigh Sewerage Authority's internal control or on compliance. This report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the Rockleigh Sewerage Authority's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
